We are pleased to announce a new mileage rate of 44.5 cents per mile for court-appointed counsel traveling by privately owned vehicles.

If you have recently submitted a compensation claim with travel expenses for July or August 2006, the projects have been directed to adjust your claim to reflect the new mileage rate of 44.5 cents per mile. The projects will transmit the adjusted claim to the Administrative Office of the Courts for processing and payment. All future claims with travel costs occurring on or after July 1, 2006 should be submitted to the projects at the new mileage rate of 44.5 cents per mile.

If you have submitted a claim with travel expenses between July and August 2006, and the claim was not adjusted with the new mileage rate, please contact your project. The project staff will work with the staff of the Appellate and Trial Court Judicial Services Division to make the necessary adjustments. All other questions can be directed to one of the above contacts.

Thank you for your continued dedicated work in the Court-Appointed Counsel Program.
