USE OF PREVIOUS BRIEFING

PLEASE SUBMIT THIS FORM WITH BOTH THE INTERIM AND THE FINAL CLAIMS.

The Court does not wish to discourage the use of “recycled” material from previous briefing or other sources. However, it has directed that use of such material should be considered in determining reasonable compensation for briefs and other documents.

For any issue in any brief or petition for which you are claiming compensation, did you substantially copy brief bank material or other materials from arguments previously briefed by you or another attorney?

NO

YES

If your answer is “YES,” briefly describe for each such issue what material you used and what new work you performed. You may add any additional explanation you wish.
